

FOR IMMEDIATE RELEASE

Appointment of Junior Council Members

HELLERTOWN, PA – September 8, 2009 - Lower Saucon Township is pleased to announce the appointment of five (5) area high school students to serve on Township Boards and Committees as Junior Council Members.

The Junior Council Program, which was started in the 1990s by several Boroughs in the State of Pennsylvania under the direction of the Pennsylvania State Association of Boroughs, provides an opportunity for the high school sophomores, juniors and seniors to participate in the governing process in their own community. The Junior Council Person acts as a link between the youth of the community and the governing body by providing information from their perspective, and will, in turn, allow them to gain an understanding and be able to explain to their peers what municipal government is all about.

The students appointed to serve during their 2009-2010 school terms are:

Kimberly Kelly - a junior at Saucon Valley High School was appointed as the Junior Council representative to the Township Council.

Jameson Packer - a sophomore at Saucon Valley High School was appointed as the Junior Council representative to the Township Planning Commission.

Eubin Hahn - a junior at Moravian Academy was appointed as the Junior Council representative to the Township Planning Commission.

Stephen Prager - a senior at Notre Dame High School was appointed as the Junior Council representative to the Township Parks & Recreation Commission. Stephen served this past year as the representative to the Township Council.

Sara Cote - a junior at Saucon Valley High School was appointed as the Junior Council representative to the Township Environmental Advisory Council.

The Township Council is extremely pleased with the interest and enthusiasm displayed by these students and looks forward to their input and participation during their coming terms.
