

## **Junior Council Representatives Appointed**

Four (4) students from Saucon Valley High School presented themselves as candidates for the Junior Council Person Program at the September 21, 2016 Lower Saucon Township Council meeting.

The Junior Council Person Program provides an opportunity for high school students to participate in local government and serve as a link between the municipal officials and the student's peers at the high school.

The Council designated the students for the following assignments:

- Rachel Panek, a senior at SVHS, was appointed as the representative to the Township Council.
- Brynn Bambu, a junior at SVHS, was appointed as the representative to the Environmental Advisory Council.
- Ryan Smith, a senior at SVHS, was appointed as the representative to the Township Parks & Recreation Board.
- Jake Nichols, a senior at SVHS who could not attend the meeting, was appointed as the representative to the Township Planning Commission.

The Township appreciates the level of interest that these students have shown in local government and looks forward to their participation and contributions during the coming year!
