

Junior Council Representatives Appointed

Three (3) students from Saucon Valley High School presented themselves as candidates for the Junior Council Person Program at the November 18, 2015 Lower Saucon Township Council meeting.

The Junior Council Person Program provides an opportunity for high school students to participate in local government and serve as a link between the municipal officials and the student's peers at the high school.

The Council designated the students for the following assignments:

- Kelsey Gatchel, a junior at SVHS, was appointed as the co- representative to the Township Council.
- Rachel Panek, a junior at SVHS, was appointed as the other co- representative to the Township Council.
- Ryan Smith, a junior at SVHS, was appointed as the representative to the Township Parks & Recreation Board.
- Jake Nichols, also a junior at SVHS who could not attend the meeting, was appointed as the representative to the Township Planning Commission.

These four students join Kyle Bambu, a senior at SVHS, who is serving as the Junior Council representative to the Township Environmental Advisory Council for his second year.

The Township appreciates the level of interest that these students have shown in local government and looks forward to their participation and contributions during the coming year!
