

# 2025 SWEEPER SCHEDULE

Please be advised that the Public Works Department is scheduled to begin the annual spring clean-up of streets from winter snow removal operations on April 14, 2025. The sweeping process typically takes two months to complete.

The sweeping order is based on designated areas within the Township and is rotated annually to ensure fairness for all residents. This year, we will be modifying the schedule to prioritize sweeping low-traffic volume/low-speed roads first in each area.

Thank you for your patience and cooperation as we work to maintain clean and safe roadways.

1. Bingen (South of Friedensville Road/Black River Road and West of Leithsville Road Rt. 412)
2. Seidersville Area (West of Mountain Drive and North of Black River Road)
3. Steel City Area (North of Easton Road to Steel City)
4. Apple Street Area (North of Wassergass Road to Easton Road)
5. Wassergass Area (North of Polk Valley Road to Wassergass Road)
6. Leithsville Area (East of Leithsville Road Rt. 412 and South of Polk Valley Road)

**Please check back to see the progress in the weekly schedule.**
