

Junior Council Representatives Appointed

Eleven (11) students from Saucon Valley High School were presented as candidates for the Junior Council Person Program at the September 6, 2017 Lower Saucon Township Council meeting. This is the largest group of representatives since the inception of the program.

The Junior Council Person Program provides an opportunity for high school students to participate in local government and serve as a link between the municipal officials and the students' peers at the high school.

The Council designated the students for the following assignments:

- Ferris Abu-Ghosh (junior) and Samuel Striz (senior) were appointed as the representatives to the Township Council.
- Brynn Bambu (senior), Katie French (junior), and Benjamin Szydlow (senior), were appointed as the representatives to the Township Environmental Advisory Council.
- Sydney Oskin (junior), Nicholas Snead (sophomore), and Thomas Spirk (sophomore), were appointed as the representatives to the Township Parks & Recreation Board.
- Ethan Kennedy (sophomore), Zack Mikuta (sophomore), and Matthew Wagner (junior), were appointed as the representatives to the Township Planning Commission.

The Township appreciates the level of interest that these students have shown in local government and looks forward to their participation and contributions during the coming year!
