Donation Form

Put yourself in front of YOUR community!

We are looking for support from the community. We are in need of prizes and gifts that can range from gift certificates to gift baskets and nearly anything in between!

Our beneficiary this year is the Animals In Distress. In the mid 1970's, the idea of an animal shelter where no animal would be killed was considered impractical and, to some, unrealistic. Yet the founders of Animals In Distress, most of whom had been active in the traditional local shelters for years, grew weary and more upset as thousands of healthy animals, right here in the Lehigh Valley, as well as nationwide, were killed. Nationwide, in that decade, an estimated 27 to 33 million cats and dogs were killed each year by shelters who had run out of room for them. Over the past 35 years, Animals In Distress has been blessed with the help of many caring people who have donated money and time to keep its doors open. They will continue the organization's work, with compassion and dedication.
