Heavy & Highway Contractors

**Pennsylvania Turnpike Commission  
CONTRACT A-057.66S002-3-02  
REPLACEMENT OF BRIDGE NB-355 AT MILEPOST A-57.66  
IN SOUTH WHITEHALL TOWNSHIP  
TURNPIKE CLOSED AND DETOURED**

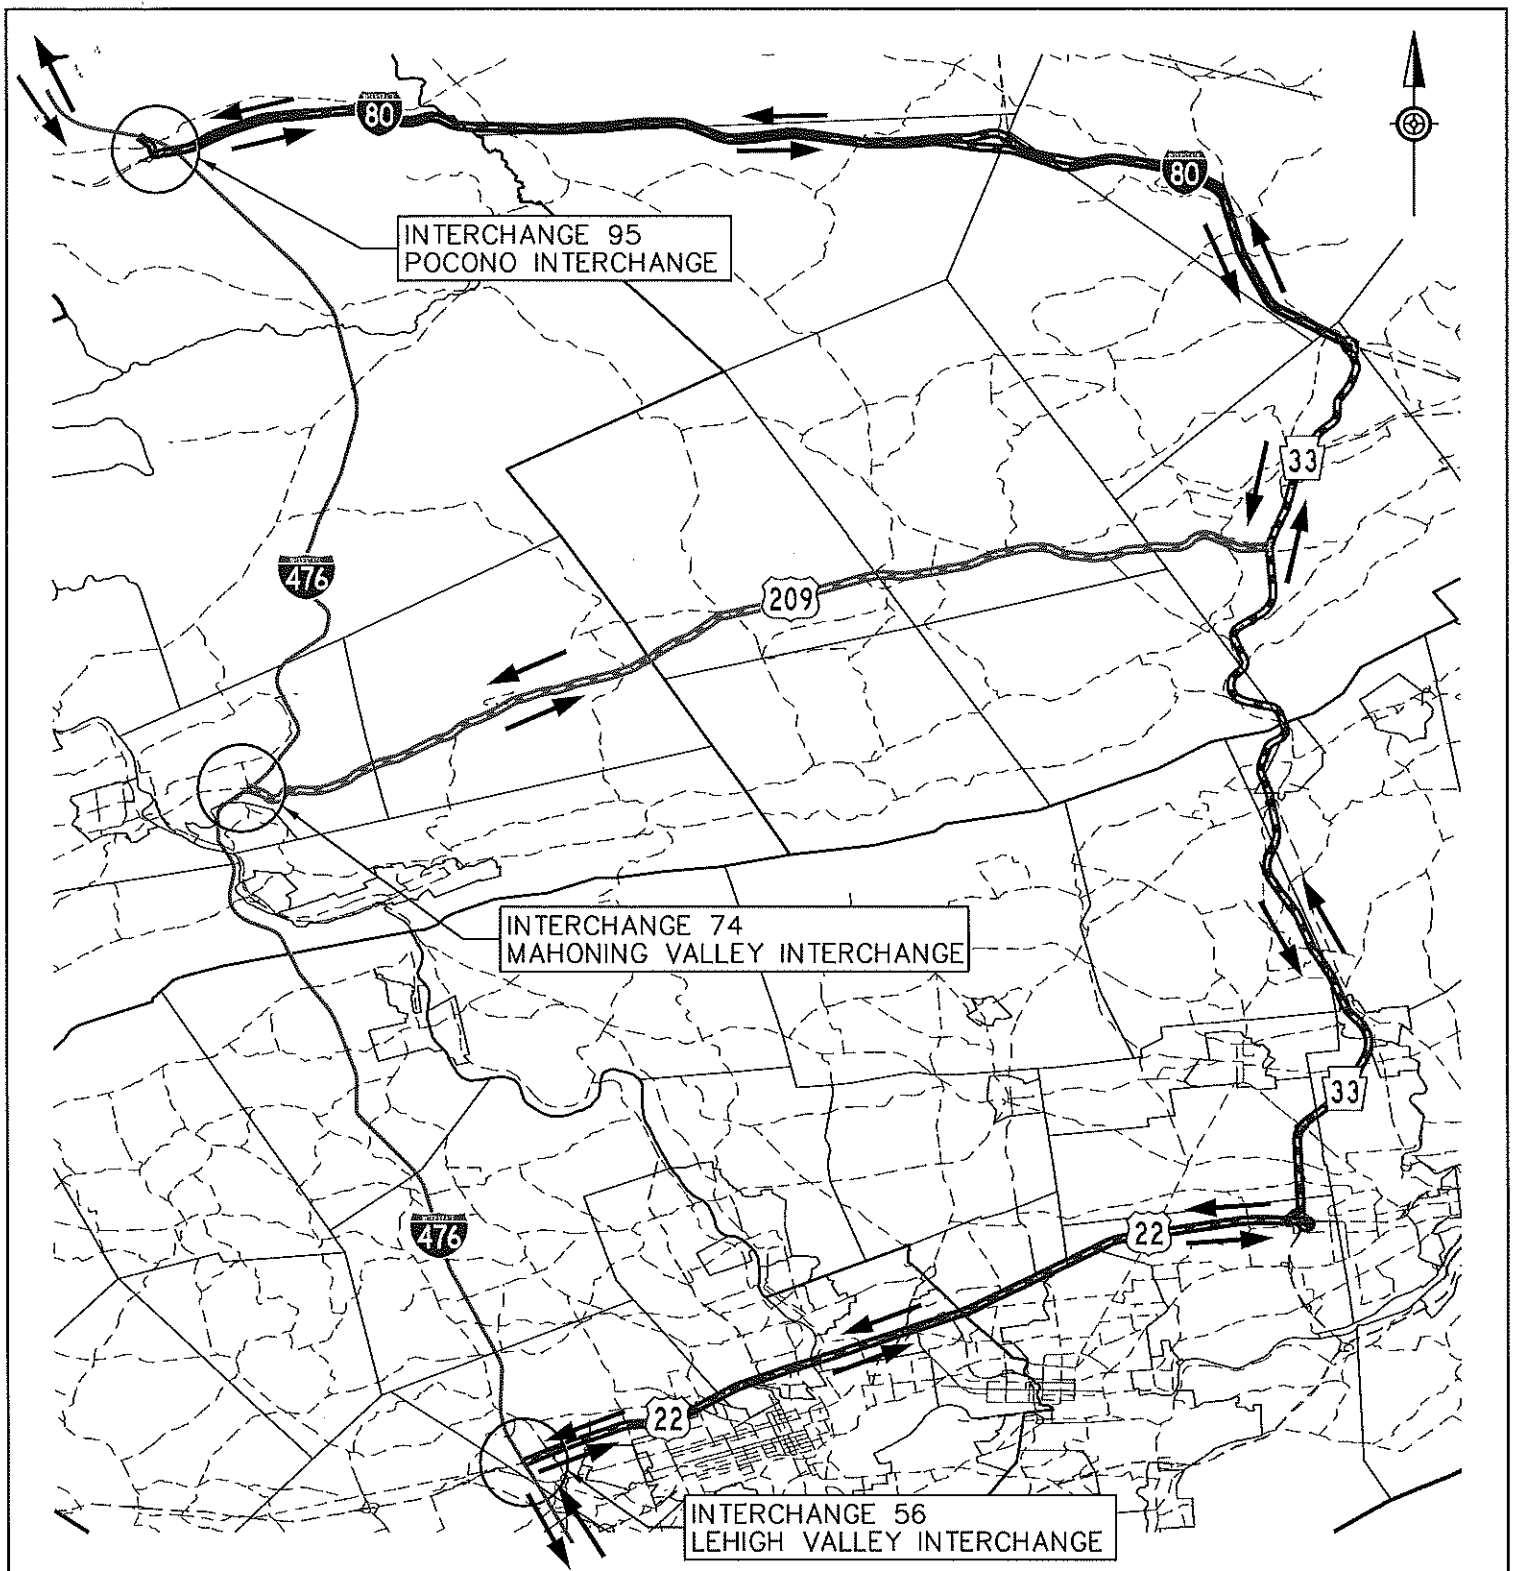

**PLEASE BE ADVISED** that a full closure and detour of the Pennsylvania Turnpike – Northeast Extension will be in effect from the Allentown Interchange (A-56) to Mahoning Valley Interchange (A-74) beginning Friday September 29<sup>th</sup>, at 9:00 PM, and continue through Monday October 2<sup>nd</sup> at 4:00 AM. During this time, both northbound and southbound traffic from the Turnpike will be following a posted detour. Please see the attached map for a complete look at the detour.

Construction activities for the replacement of a mainline bridge will take place around the clock until the roadway can be re-opened to vehicular traffic. Access will be completely restricted for all traffic, including emergency services vehicles, from milepost 56 to milepost 74. Emergency services vehicles will not be permitted to access the Turnpike during the closure without implicit permission of the Turnpike Traffic Incident Management Coordinator, Todd Leiss.

In the event of inclement weather or adverse unforeseen conditions that would prevent work starting on the evening of September 29<sup>th</sup>, the backup dates for the weekend closure will be from 9:00 PM, Friday October 13<sup>th</sup> through 4:00AM, Monday October 16<sup>th</sup>.

If you have any questions or concerns you may contact the Turnpike representative, Steve Dale at (610) 724-1948.

The Project Team appreciates your cooperation. Thank you.
