

Wildfire Danger Rating

The wildfire danger rating for today Friday May 3, 2013 and the Weekend Saturday May 4, 2013 through Sunday May 5, 2013 is **HIGH**.

Chance of Fire Starting:	Can start from most accidental causes.
Fire Behavior:	All spread is rapid. High intensity burning may develop on slopes and in fine fuel concentrations.
Spotting:	Short distance spotting common.
Fire Control:	May be difficult if fire is not hit hard and fast when small. Serious fires likely.
